

STAB-PROOF COVERT VEST HERKULES CLASSIC

The **Stab-proof covert vest Herkules Classic** is a lightweight, flexible and breathable covert vest designed for comfortable, discreet stab protection. It has been developed for extended periods of wear and provides a high level of wearer comfort and freedom of movement thanks to its particularly slim construction. The protection panel made from high-performance polymer and high-strength aramid fabric provides reliable stab protection while keeping the overall weight low. The protection panels are manufactured in Remscheid, Germany – **Made in Germany**.

FEATURES & BENEFITS

- Reliable stab protection against knives, screwdrivers and comparable stabbing weapons
- Lightweight and flexible protection panels made from high-performance polymer and high-strength aramid fabric – Made in Germany
- Large-area protection coverage of the chest, abdomen, sides and back
- Low weight combined with high flexibility and freedom of movement
- Breathable construction for a high level of wearer comfort, even during extended periods of use
- Close-fitting design for discreet wear
- Particularly slim construction for unobtrusive wear under a shirt or uniform
- Removable protection panels
- Washable carrier vest at 30°C

MODULAR SYSTEM

The protection panels are compatible with several carrier systems and can be used interchangeably in the **Herkules covert vest**, the **Orion high-visibility vest** or the **Thor tactical outer carrier vest**. This allows different operational requirements to be covered using just one set of protection panels.

AREAS OF APPLICATION

- Security services
- Municipal enforcement and regulatory services
- Personal protection
- Public transport operators and inspection personnel
- Critical infrastructure and site security
