

STAB-PROOF COVERT VEST HERKULES PROFESSIONAL

The **Stab-proof covert vest Herkules Professional** is a lightweight, flexible and breathable covert vest with certified stab protection for professional users. It has been specially developed for daily use by security services, public authorities and judicial personnel, combining a high level of protection with low weight and excellent wearer comfort. The protection panels are manufactured in Remscheid, Germany – **Made in Germany**.

CERTIFICATION & PROTECTION

- Certified stab protection in accordance with **VPAM KDIW 2004 – Level K1**
- Additionally tested in accordance with **NIJ Standard 0115.00**
- Protection against knives, screwdrivers and comparable stabbing weapons
- Additional impact absorption against blunt force such as punches and kicks
- Certified test energy:
 - 25 joules (VPAM)
 - 15 joules (NIJ) across the entire protection area
- **PPE Category III** in accordance with Regulation (EU) 2016/425
- CE certified
- Testing institutes:
 - VPAM – Beschussamt Mellrichstadt
 - AITEX – NIJ and CE testing

FEATURES & BENEFITS

- Certified stab protection for professional users with a low overall weight
- High flexibility and freedom of movement
- Breathable construction for a high level of wearer comfort during extended periods of use
- Close-fitting design for discreet wear
- Proven carbon-aramid technology – Made in Germany
- Removable protection panels
- Washable carrier vest at 30°C

MODULAR SYSTEM

The protection panels are compatible with several carrier systems and can be used interchangeably in the **Herkules covert vest**, the **Orion high-visibility vest** or the **Thor tactical outer carrier vest**. This allows different operational requirements to be covered using just one set of protection panels.

AREAS OF APPLICATION

- Police, public authorities, correctional services and court enforcement officers
- Security services and personal protection
- Municipal enforcement and regulatory services
- Emergency services and fire brigades, critical infrastructure and site security
- Public transport operators, inspection personnel
