

STAB-PROOF COVERT VEST PHÖNIX CLASSIC

The **Stab-proof covert vest Phönix Classic** is a lightweight, flexible and breathable covert vest designed for comfortable, discreet stab protection. It has been developed for everyday use and provides a high level of wearer comfort and freedom of movement thanks to its slim construction. The protection panel made from high-performance polymer and high-strength aramid fabric provides reliable stab protection while keeping the overall weight low.

FEATURES & BENEFITS

- Reliable stab protection against knives, screwdrivers and comparable stabbing weapons
- Lightweight and flexible protection panels made from high-performance polymer and high-strength aramid fabric
- Large-area protection coverage of the chest and back
- Low weight combined with high flexibility and freedom of movement
- Breathable construction for a high level of wearer comfort, even during extended periods of use
- Close-fitting design for discreet wear
- Slim construction for unobtrusive wear under a shirt or uniform
- Removable protection panels
- Washable carrier vest at 30°C
