

TACTICAL STAB-PROOF VEST THOR CLASSIC

The **Tactical stab-proof vest Thor Classic** is a robust overt vest designed to provide comfortable stab protection during extended periods of use. It has been developed for overt wear over clothing and combines lightweight, flexible protection panels with a durable carrier vest. The continuous protection zone despite the front zipper and the integrated MOLLE system provide a high level of wearer comfort while allowing pouches and equipment to be configured individually for a wide range of operational requirements. The protection panels are manufactured in Remscheid, Germany – **Made in Germany**.

FEATURES & BENEFITS

- Reliable stab protection against knives, screwdrivers and comparable stabbing weapons
- Lightweight and flexible protection panels made from high-performance polymer and high-strength aramid fabric – Made in Germany
- Continuous protection zone despite the front zipper
- Large-area protection coverage of the chest, abdomen, sides and back
- Low weight combined with high flexibility and freedom of movement
- Robust tactical overt vest with MOLLE system
- Large hook-and-loop areas for service badges, identification and patches
- Reflective elements for increased visibility
- Removable protection panels
- Washable carrier vest at 30°C

MODULAR SYSTEM

The protection panels are compatible with several carrier systems and can be used interchangeably in the **Herkules covert vest**, the **Orion high-visibility vest** or the **Thor tactical overt vest**. This allows different operational requirements to be covered using just one set of protection panels.

AREAS OF APPLICATION

- Security services
- Municipal enforcement and regulatory services
- Personal protection
- Public transport operators and inspection personnel
- Critical infrastructure and site security
